Description

Clash of BaNG is a fantasy-themed community website inspired by the Clash-style universe, featuring five main pages: Home, Gallery, Troop, About, and Register. The website provides interactive features such as hero and artwork sliders, troop hover cards with detailed battle statistics, responsive layouts for mobile and desktop devices, and a fully functional registration form with JavaScript-based validations. Designed with a dark fantasy aesthetic using consistent typography, animations, transitions, Flexbox, and Grid layouts, the website aims to create an engaging and immersive experience for strategy game fans while showcasing troop guides, community history, fan artwork, and clan activities.

Home Page

The Home page serves as the main entrance to the Clash of BaNG website, introducing visitors to the fantasy world of the community through an interactive hero carousel, game update slider, and featured troop sections. It provides brief information about the Clash of BaNG game and community, highlights popular troops, and includes interactive navigation elements that allow users to explore different content smoothly. The page also features responsive layouts, hover effects, transitions, and slider controls to create an engaging and visually immersive user experience across desktop and mobile devices.
